Percy & Small Shipyards Tour
Every day at 1:00 pm from mid-May to October, join us for a guided shipyard tour and learn how the biggest wooden schooner in history was built right here on this historic site. Or, look for a QR code to take the self-guided tour. Tour includes walking on inclines and uneven walkways with plenty of rest stops.

Historic Shipyards Buildings
Explore the process of building a wooden schooner in the Mould Loft, Paint & Treenail Shop, Mill & Joiner Shop, Kenneth D. Kramer Blacksmith Shop, and the Caulker’s Shed.

Calling All Kids!
Ahoy! From the Pirate Play Ship, to the Tugboat Pilot House, to seal sightings aboard a Merrymeeting cruise, there’s plenty for the whole family to see and do. Don’t forget to ask for a coloring page or scavenger hunt at the information desk!

Wheelchairs, Golf Carts, & Accommodations
In addition to benches throughout campus, our exhibits are wheelchair accessible unless otherwise noted. We have wheelchairs available to borrow. Culture City sensory packages are also available for those with different sensory needs. Golf cart rides are available during open hours. Need a ride and can’t find someone with a Maine Maritime Museum nametag? Call the front desk from your cell phone (207) 443-1316 x331 & we’ll send someone to get you. Please watch your step on uneven ground and inclines as you explore.

Demonstrations & More
The Ship Launching Demonstration, the Kenneth D. Kramer Blacksmith Shop, the Watercraft Restoration Center, and the Donnell House are all staffed by expert volunteers.

Daily Lighthouse & Nature Cruises at 12:00, 2:00 & 3:30 pm

Did you know?
Each year, we have workshops, lectures, camp for kids, an annual gala, beer fest, & more!
